Please note for EDC, these are estimates based on the previous two years as EDC cannot give me their numbers until June as recruitment is still underway. Introduction to Nursing, Radio Production, Portfolio Building and Journalism are new courses, therefore estimates are not available.

Introduction to Nursing is shared with ERC for 17/18. Please note: First Aid, Anatomy (Group 2) and Forensic

ERC have requested these two outreach courses - numbers still to be confirmed.

ESOL has not recruited in ERC. However, we have opened this up to GVP schools with a full uptake (and even possibly a waiting list) and one pupil interest from EDC. If this course runs via GVP it would potentially meet maximum numbers. I have added ESOL to GVP.

Professional Theatre Preparation is shared with GVP.

Cosmetology at Hillhead - Hillhead have expressed that they will not be opening this up to other schools in the Tuesday/Thursday slot. They also have a new Depute. With these changes, it has still to be determined whether they will be requesting a Lecturer for their in house Cosmetology for Hillhead pupils.

With Cosmetology at Drumchapel and John Paul, Catrina McGregor and Julie Wales are meeting with the schools regarding this, therefore numbers are unavailable at the moment.

Digital Imaging has surprisingly not recruited yet, but every year to date usually fills with a great class from Rosshall. Rosshall have a new member of staff and contact for us in place, who I am liaising with regarding these spaces.

Sport Level 4 is inclusive of the 20 spaces requested by Jonny Carroll at Lourdes, and Higher Psychology is also inclusive of spaces requested by Jonny Carroll.
