1. Report Purpose

The purpose of this report is to highlight key developments in the Colleges DYW activity.

2. Recommendations

The Learning and Teaching committee are asked to discuss and comment on the report.

3. Background

Developing the Young Workforce is a 7 year government project aimed at improving the vocational opportunities for young people during and after their senior phase school education.

4. Risk Analysis

Failure to meet ROA targets for DYW activity and failure to meet college credits targets are the key risks.

5. Legal Implications

There are no specific legal implications.

6. Financial Implications

Because of the change in funding methodology of the Foundation Apprenticeships, failure to recruit or retain FA candidates which impact on cash income for those groups. Other school activity is credit bearing, so the efficient delivery of these groups also impacts on the college's fiscal stability.

7. Regional Outcome Agreement Implications

The college contributes to ROA targets and attainment levels are a significant measure. Failure to maintain targets could impact on the delivery of the ROA.
