

## Foundation Apprenticeship Update

### Points of Note:

- Business Skills – target exceeded with 18
- Children & Young People – 25 of 42 candidates selected. 17 candidates removed generally due to concerns regarding the level of English in written assessment
- Civil Engineering – 14 of 24 to date. Recruitment will continue
- Creative & Digital Media – 23 of 26 target to date. Two of three cohorts
- Engineering Systems – nearing target with 23 recruits with not scope to exceed 24
- Financial Services – 18 of 24 achieved
- Healthcare – target exceeded with 28 selected
- ICT Hardware – remains low with 7 against 24 target. Meeting planned with faculty to develop recruitment campaign in June
- ICT Software – target achieved 24
- Mechanical Engineering – target of 24 achieved with no scope to exceed. This includes 10 candidates selected from neighbouring regions which may cause a dilemma should further interest from the consortium Local Authority areas
- Engagement will take place with schools/colleges to signpost non-selected students to alternative vocational offerings
- FA Scientific Technologies (Lab Skills) - 8 applications so far, interviews still to take place.
