WHAT OUR CUSTOMERS SAY

Glasgow Netball Association - Karen Thomson

“We have hired the games hall at Langside campus for the past five years and find the space in excellent order and the staff are friendly and professional in everything that they do.”

Connolly Training Solutions Limited - Francis Connolly (Director)

“As an independent training provider for the past 15 years, I have delivered many training courses at various venues across the U.K, Ireland and Europe. In the past 6 months, I have had the pleasure of hiring training rooms at the Cardonald Campus of the College on a regular basis.

I’m delighted with the efficiency and helpfulness of the staff that I have dealt with and would say that it’s probably the best location I have delivered training at. It ticks all the boxes in terms of IT support, quality lunches, location, parking and most important, it’s a fantastic learning environment.

Furthermore, I would have no hesitation in recommending Cardonald Campus as a great choice for a training venue.”

Pauline Quirke Academy - Yasmin Bryce (Principal)

“The facilities at Glasgow Clyde College - Langside Campus are excellent and provide our students with a professional setting which really adds value to their training. The staff are all friendly and helpful and can’t do enough for you. Our students and parents love coming here because of the well-equipped rooms, ease of transport and very secure feel of the whole site. Many thanks to you all for providing our performing arts family with a lovely home!”
