

FLEXIBLE WORKFORCE DEVELOPMENT FUND

For the first time, the Flexible Workforce Development Fund (FWDF) is available for all Scottish employers, including small and medium sized enterprises (SMEs). The FWDF helps businesses continue to invest in their workforce through training and personal development.

- Levy-paying employers can apply for up to £15,000
- SMEs can apply for up to £5,000

Our specialist team can advise you on the training available and assist you in the completion of your FWDF application form. We are here to help you, every step of the way.

Training Areas

- Customer Service
- Digital and Computing Skills (Including Cyber Security)
- Engineering
- Gas, Plumbing and Electrical
- Health and Safety
- Health and Social Care
- IT, Business and Finance Skills
- Leadership and Management (CMI/SVQ Qualifications)
- Management
- Mental Health and Wellbeing
- Training and Development
- Upskilling

Our expert team can also create bespoke training packages in line with your organisational objectives.
